Dear Sir,

We are pleased and proud to inform you about the constitution of a new company dedicated to the trade and supply of used / second hand & bargain offered stone working, processing, quarry and movement equipment.

**Market Service di Firmian Bernhard** with its offices in **37020 Arbizzano – Via Torino, 1c** and its highly specialized operators with their long year market knowledge proposes now a real alternative to those which likes to get “Italian Stone Technology” at affordable and reliable cost.

The, trough our affiliated workshops refurbished/reconditioned machinery on which we give full good working/production guarantee of 6 month has perfect production related performaces in regard of quality eventually little less in regard of quantity.

Our service includes also installation, factory run up, production assistance service, spare parts & after sale service, as well as delivery of all necessary consumables such as disk's/blades/polishing stones resins etc. Of course we also offer/propose brand new equipment at best conditions, do not hesitate to request our related quotations.

In order to give you a better updated service we designed our WEBSITE at the following domain

**<http://www.stone-equipment.net>**

which we invite you to visit regularly since we do update the list several times per week. May note that any single “machine data sheet” includes main technical features as well as 1 picture (original or from manufacturer catalogue) and the real price of the described unit. (in € - Euro)

Whenever you may find the unit you're interested in, may let us know immediately, we will double check availability immediately and reconfirm, if “your” unit is not in list, let us know we will do our best to locate and offer what you're looking for when available.

Grateful for the attention you have given to us, we may send our best regards and wish in the hope to read you soon

Yours Faithfully  
Firmian Bernhard
